

---

Dear Friend,

On behalf of the Mohave Library Alliance - Kingman Cluster, I invite you to support the Kingman Area Books Are Magic Festival--KABAM Fest!

KABAM! celebrates the love of books and reading, and includes visits to local schools by award-winning authors; public readings and book signings; and culminates with an outdoor Festival at Metcalfe Park in downtown Kingman which includes live entertainment and fun for the entire family. Without the financial and in-kind support of numerous organizations, our event would not be possible.

Our most recent Festival attracted thousands of participants, and provided the opportunity for numerous community organizations to meet with the public and to raise funds and awareness.

You and your business or group are invited to support our literacy effort in Kingman by sponsoring a featured author for \$1000 or co-sponsoring an author for \$500. All donations of any amount greatly appreciated. Donations may be sent to:

<p>MLA - KABAM! Festival P.O. Box 4191 Kingman, AZ 86402-4191</p>
---

Your organization will be recognized for their support in our promotional materials and website. Your participation is a win-win for our community and our need to increase reading awareness. Please do not hesitate to contact me if you have any questions, or if you would like to volunteer or become involved.

Sincerely,

Robert C. Shupe, Chair  
KABAM Fest! Steering Committee
